 9 hectares

REF: ESP 2525

Tijola

€96,000

Rural property and land in a stunning location.

Tijola Village has all the amenities as well as a weekly market, good quick access to the main road towards other Towns, Motorway, the Airports and coast.

On the land you will find a large agricultural building of 70m², it is in a very good condition and it is useful if you wish to renovate it to create a living accommodation or build new.

Land for sale of 90000m² part of which is hilly and mainly it is useful land suitable for cultivating.

The land has approx 50 Olive trees and the rest is planted with Almond trees.

The property has not been looked after for two years approx so will need to be brought back to a good state.

Has 50% share on irrigation water plenty to water of approx 6 litres per second.

Stunning views and location, property for sale in Spain.
