🌳 1 hectare

REF: ESP 3702

Oria

€108,000

Habitable country property with 1 hectare of land now available.

The property is located in a beautiful valley of Oria with stunning views all around it, of the mountains and country surroundings. It is only 10 minutes drive to the typical Spanish Village of Oria where you will find all the amenities as well as a weekly market.

The property is old style habitable therefore you can move into while you make any changes, it is all on one level and comprises of;

A lounge/diner, a kitchen with traditional fireplace, a bathroom, three bedrooms and a pantry room.

On the second floor there is one large room ideal to create another bedroom.

There are some rooms which have been demolished possible to build them again if you need more rooms.

Beautiful land around the house of 1 hectare more hills and some flat terraces very beautiful. Ideal to plant trees or create a nice price garden.

Mains are connected, internet can be connected, good access road.

Great country location for this habitable traditional house for sale in oria - Almeria.
